

QuantCo Travel Scholarship

Attend the Harvard German American Conference 2022 with QuantCo!

QuantCo is offering up to five travel scholarships for German university students to attend the Harvard German American Conference (GAC) in Cambridge, Massachusetts.

Please see Requirements on the next page for more details.

As part of the travel scholarship, QuantCo will cover:

- Round-trip flights (up to 600 Euros)
- 4-night hotel stay from October 27, 2022, through October 31, 2022

In addition to the covered travel expenses above, the scholarship benefits will include a dinner with QuantCo at a privately booked venue in Boston or Cambridge, Massachusetts.

How to apply?

Please submit the following to travel-scholarship@quantco.com by August 26, 2022:

- 1-page resume
- Short letter of motivation on why you think you should participate in the GAC (150 words maximum)
- Transcripts, if available

QuantCo Travel Scholarship

Requirements

In order to be eligible for a travel scholarship, you must:

- Be enrolled at a German university, including students currently in an exchange semester at a non-German university. We accept any degree program and any academic year (i.e. freshman to graduate level).
- Be in the top 5% of your program (or Abitur grade in top 5% for freshmen) as demonstrated by grades/transcripts or scholarships/awards
- Obtain the proper visa or travel authorization to the US (e.g. [ESTA](#), if applicable). Please see the US State Department's Travel [website](#) for more information.
- Have/obtain international travel health insurance coverage
- Cover your own travel to and from the airports
- Accept that the travel scholarship will be voided if the conference is canceled or held remotely. The void also applies in the event that government travel restrictions are imposed between the US and any affected countries.
- Agree to inform QuantCo in a timely manner if you decide not to attend the GAC (so that we can award your travel scholarship to a runner-up), ideally by October 4, 2022
- Give QuantCo consent to store your resume for up to 6 months starting from October 30, 2022, i.e. the last day of the GAC

QuantCo is a Machine Learning Company.

About QuantCo

We leverage expertise in economics, data science, and software engineering in Europe and the US and have grown to a team of more than 120 people in our offices in Berlin, Boston, Cologne, Karlsruhe, London, Munich, San Francisco, and Zurich.

Our clients include some of the largest automotive, e-commerce, insurance, and healthcare organizations in the world and we work together on algorithmic pricing, high-dimensional forecasting, and data-driven claims management.

QuantCo and the GAC

The Harvard German American Conference 2022 offers a compelling opportunity for attendees to connect with leaders from both sides of the Atlantic. QuantCo can attest to the GAC's impact as many of our current and former colleagues have been speakers or organizers. We therefore want to help strengthen and foster more transatlantic relationships by bringing German students to the Conference.
